

Coaching Committee

Coaches selected the KA Senior team prior to the cancelation of the event.

A total of 6 training/selection days were completed by the coaching staff in the 2019/2020 season.

No training sessions have been held since February 2, 2020.

No formal communication with team members has occurred due to the uncertainty of planned events and in ability to host training events in person.

Based on coach's feedback most team athletes would not be prepared for a March 2021 event and likely would not be prepared for a July 2021 event unless return to sport occurs by March 2021.

Current coach staff term is complete after mid July 2021.
