

Karate Alberta

"Promoting the growth, development and excellence of karate in Alberta."

November 8, 2021

To All Karate Alberta members,

Karate Alberta events hosted in facilities participating in the REP will follow the Alberta government health measures in order to ensure our membership is protected, the value of Fair Play is encouraged, and we align as a Provincial Sport organization funded by the province of Alberta.

This applies to Athletes, Assistant Coaches, parent volunteers, and staff participating in person at events. Head Coaches of programs will be double vaccinated.

1. Proof of Vaccination – Effective Nov 15, 2021

To enter spaces participating in the Restrictions Exemption Program, people ages 12 and older must be fully vaccinated (at least 14 days from second dose of a 2-dose vaccine or a single dose of Janssen)

Your [Alberta vaccine record with QR code](#) will be the only valid Alberta proof of vaccination accepted by operators participating in REP.

Businesses will use the [AB Covid Records Verifier app](#) to scan your QR code. When scanned, it displays your name, birthdate and vaccination status. It is not connected to other personal info.

2. Proof of Negative PCR Test

To enter spaces participating in the Restrictions Exemption Program, people aged 12 and older can show proof of a negative test result.

- The test result should be a written or printed copy that indicates the individual has tested negative for COVID-19 on a Health Canada approved rapid antigen, rapid PCR, or lab-based PCR test approved by Health Canada or the lab accreditation body of jurisdiction.
 - Valid test results should be a written or printed copy that clearly outlines the type of test, time of sample collection, clear indication of a negative result, and laboratory that completed the test, if applicable.
 - Photos of a rapid test or result taken offsite is not sufficient.
 - A self-test completed offsite or self-produced documentation of a negative test result is not valid.

Karate Alberta Association is supported in part by:

"Promoting the growth, development and excellence of karate in Alberta."

Karate Alberta

- Do not bring completed self-tests or rapid tests to businesses due to communicable disease risk.
- Tests must not be from the Alberta Health Services public COVID-19 testing system.
- Operators offering on-site rapid testing should seek expert medical oversight prior to implementing a rapid testing program.

3. Proof of Medical Exemption

To enter spaces participating in the Restrictions Exemption Program, people 12 and older can provide documentation of a medical exemption.

- A valid medical exemption is the original signed letter from a physician or nurse practitioner that includes:
 - Person's name that matches their identification.
 - Physician's or nurse practitioner's complete information, including:
 - name, phone number, contact information, professional registration number and signature
 - statement that there is a medical reason for not being fully vaccinated against COVID-19
 - duration that the exemption is valid
